THANKS.

We have received an invitation from the Sisters of the Visitation Academy, at Cardome, Scott county, to attend the commencement exercises of that school, which will occur on Thursday, June 23, at 2 o'clock p. m.

We desire to return our thanks, and regret that we can not attend. There will be five graduates.

VERY ENJOYABLE AFFAIR.

The Ladies Aid Society, of Mt. Pleasant Baptist Church, Stedmanstown, had a delightful strawberry and ice cream supper at the residence of Mr. Albert G. Jeffers, on the Georgetown Pike, on Thursday, night last. There was a big crowd present, lots of good things to eat, and every body went away pleased.

THE SUMMER SEASON

In full of dangers particularly for the children, who, not knowing the result of eating unripe fruit, indulge themselves, with the usual grasping palm in the stomach as a consequence; mothers should have a bottle of Palatiller (Ferry Davis), which will at once relieve the sufferer; it is a safe, simple remedy and it should be kept in every house. Large bottles 25 and 50 cents.

INHUMAN TREATMENT.

The parents of a little lad by the name of Grover McCoy, who lived some two or three miles below town on the river, moved away and left him to shift for himself. Mr. G. T. Long, who is a neighbor, took the little fellow in charge and kept him until he could bring him to Judge Polsgrove. He came here with the lad on Wednesday. Judge Polsgrove had him fitted out with neat clothing and will send him to the Kentucky Children's Home, at Louisville.

DELIGHTFUL LECTURE.

Rev. A. K. Wright, pastor of Evergreen Baptist Church, near Farmdale, has just returned from a trip to the Holy Land.

He delivered a delightful lecture, to a large audience, at Evergreen Church, on Sunday last.

Every one present enjoyed the talk and many had their hearts touched and tendered as he eloquently spoke of the scenes where he "that spake as never man spake" spent his life.

KENTUCKY LADY LAWYER HONORED.

On Tuesday last, Miss Sophronia Breckinridge, daughter of Col. W. C. P. Breckinridge, was made Director of Jurisprudence at the University of Chicago, Ills.

Mrs. Breckinridge is an unusually talented member of that talented family, and was the first lady ever admitted to the bar of Kentucky.

ADDITIONAL IMPROVEMENTS

Mr. James W. Hughes is erecting three cozy cottages on his lot on Dabney street, West Side.

The spirit of improvement seems to be spreading in all directions throughout the city. There are some thirty new houses now under contract or just about completed.

DAYS OF GRACE ABOLISHED.

The Negotiable Instrument bill, passed by the last session of the Kentucky Legislature, went into effect Monday and all papers signed thereafter will be due on the date specified, the three days of grace which have customarily been granted by banks and individually in this State, being abolished.

The bill which went into effect provided also that all notes made payable at any bank shall be considered equivalent to an order on that bank for the payment of the obligation on the account of the largest debtor. That is, a decided departure in banking methods, as most of the notes made are payable in some bank, and formerly no one would have considered making the payment without an additional order from the debtor.

Kentucky is the twenty-fifth State in the Union to abolish the days of grace, and the section of the negotiable instrument act which makes the rule reads as follows: "Every negotiable instrument is payable at the time fixed therein, without grace. When the day of maturity falls on Sunday or a holiday, the instrument is payable on the next succeeding business day."

The practice in the past has been to pay such notes on the day before they matured.

THE KENTUCKY CHAUTAUQUA.

Preparations are well advanced for the opening of the 18th annual session of the Kentucky Chautauqua at beautiful Woodland Park, Lexington, June 28. This session will continue for ten days. The engagements already consummated for the session are notable ones. More lecturers of high class are provided this year than have been used in other years.

A notable engagement just consummated is that of Dr. Frank Gunnsaulas, of Chicago, who is everywhere recognized as one of the leading men on the American platform. He is not only scholarly, but a polished orator. It has possibly been fifteen years since Dr. Gunnsaulas has appeared on the program of the Kentucky Chautauqua. He was then in the beginnings of his work. He is now in the prime of manhood, and his services on the platform are more greatly sought than almost any man who could be named. He will give two great lectures on "Savonarola" and "Gladstone" on June 29 and 30.

The coming of Capt. Richmond Pearson Hobson also means a great company of people. For three seasons he has been the greatest drawing card which the Chautauqua has ever had. He is by no means a freak, either, but a cultured gentleman with fine platform ability. He has a message in which his heart is interested, and of course he wins. He is a modest gentleman, and a fine orator.

The sensation of the entire session possibly, will be the coming of Miss Clara Morris, the well-known American actress, who gives her charming lecture on "Behind the Footlights." Her delightful articles in magazines of recent years, brought her fresh to the public notice, and people have been charmed in reading them.

The Williamson Sisters Quartette and a famous Male Quartette will be heard during the Chautauqua.

Three splendid soloists are provided in Mr. Clifford A. Wiley, Mr. J. Kendrick Johnson and Miss E. Grace Updegraff.

The famous violinist, Mr. Hugh McGibney, will also be heard with great pleasure. He is a superb artist.

Applications for tents are more numerous than for several years. Mr. C. C. Buckley is at the store of the Transylvanian Printing Co., where all information and programs of the Chautauqua can be secured. Those who desire tents should make early application.

Season tickets are also on sale at the Transylvanian Company's office, and at least one thousand of them should be sold before the Chautauqua begins.

LOUISVILLE NEXT MEETING PLACE.

The General Confederate Reunion, which was held at Nashville, Tenn., this week, was largely attended. Gen. S. D. Lee, who was Senior Vice Commander and had been acting as Commander-in-Chief since the death of the beloved Gen. John B. Gordon, was elected Commander-in-Chief. Louisville was selected as the next meeting place. The ranks of these brave men are thinning out rapidly, and the tottering knee and grizzled hair tell of the rapid encroachments of age upon those left behind.

REFUSED REHEARING—NOW GOES TO U. S. COURT

The Court of Appeals, through Judge Nunn, refused to grant Jas. B. Howard (accused of assassinating Senator Goebel), a new hearing, on Wednesday. The case now goes to the U. S. Court.

Only one remedy in the world that will at once stop itching of the skin in any part of the body: Dr. Doan's Ointment. At any drug store, 50 cents.

BIRTHS.

HANRAHAN — On Saturday morning, to Mr. Jas. E. Hanrahan and wife (née Corinne Egbert)—a son.

Papa is feeling pretty comfortable his own self.

A VALUABLE MANUSCRIPT.

Major Martin Hume, the author of "The Love Affairs of Mary Queen of Scots" (McClure-Phipps), left Wemys Castle the other day bearing away in his bag a manuscript that Scotland has been longing to get a sight of for many years. It is the diary of David Wemyss, Lord Echo, who went up with Prince Charlie, the young Pretender, in the rising of 1745. Lord Echo was then twenty-six years of age, son of the fourth Earl of Wemyss, and from his youth had been an ardent Jacobite. He was opposed to the rising of '45, but nevertheless raised a troop of Life Guards which he commanded until the overwhelming defeat of Culloden, and when the young Prince was compelled to fly to the Continent, Lord Echo went as his companion. During the long forced march he did a thriving business, and hundreds were on the grounds early. It is a good lot of acts that this adjunct contains. Then it was to the maneuvering that the throng of historians made its way, and these are, I think, some respects unusually novel. The little camel, Lions, Lions and bears are sights not often seen even with the largest circuses, and are most interesting. Another animal in the collection is the spotted hyena. It is said to be the only one in captivity. The animals in the collection are as varied as is found with the average circus.

From the beginning of the show a huge audience to the big tent, and an impatient waiting for the performance to begin. After the band—an excellent one—has entered the audience for half an hour, the usual "train of procession" begins. It is headed by the elephants and camels, the riders of both sexes, richly costumed, the charioteers, zouaves, etc., following. Then comes the usual circus programme of bareback riding, trapeze and ring performing, tumbling, sheet wire walking, etc. It is worthy of note that all of these midair performances are done with the use of a net underneath and are as daring as any other circus shows.

The Martell Family.

The first feature worthy of especial mention was the Martell family of bicyclists. There are five of them: a man, a woman, a boy and two little girls, who look to be about 4 and 6 years old respectively, better cycle act than this has probably never been seen in the world. They are very graceful, their tricks are difficult, and they are accurately done. One of the most novel and interesting parts of the performance was the riding of the bicycle on a chair. Two male members of the family were put on an ordinary cart wheel with some of the spokes removed, and whirl around in it almost as rapidly as they ride the bicycles. The act is a great success, the Silvertonians little short of marvelous. Two men and a woman perform on the wire at the same time and do some of the most difficult tricks. They do a cage walk on the wire, keeping balance on the main wire and going through all the figures of the walk. The act is finished with the woman balancing herself on the wire and leaping over a chair and table and regaining her balance on the wire.

Spectacular Zouaves.

The most spectacular act and one of the prettiest is the drilling of the Pontian Zouaves. It is difficult to imagine anything more brilliant and勇猛 than this show, and their whirling movements are all easily and effectively executed. The finish to their act is a sensational wall-climbing performance.

The trained seals give a wonderful performance, especially the balancing, with the animals walking upon various objects placed upon their noses. The Garcinetti family do some very clever acrobatic work, especially the elder female member of the troupe, Mrs. Rosedale, who is a sensational acrobat, performing barrel jumping act. The double barrel riding act of Misses Hilliard and Kruger is excellent, being rendered more difficult by the fact that two horses are ridden.

FIGHT WILL BE BITTER.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will do so long, and will suffer much from their troubles, if not ended earlier by fatal termination. Read what T. R. Beal, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery, and the result was that she had a full recovery. Another time also had failed. Improvement came at once and four bottles entirely cured her." Guaranteed by all druggists. Price 50 and \$1.00. Trial bottles free.

CIRCUS IS SUCCESS.

The Sells & Downs United Shows Please Many.

ALL THE ACTS GOOD ONES.

Martell Family Gives a Splendid Trick Bicycle Performance—The Slack Wire Walking of Silverton Family Best of the Kind Ever Seen Here.

A large crowd is present to see the grand and everybody was pleased. As a matter of fact, there is not a bad or uninteresting act in the entire performance. All of the old regulation circus acts are there, and are well performed, but the newest and more modern features are what attract the greater attention, claim the deeper interest and make the audience's faith in "the circus" go up a peg or two.

Well-Ordered Arrangements.

An added feature worthy of comment is the well-ordered arrangements. Ticket purchasers are kept in line by men who direct them to the ticket wagon. From there they get easy entrance to the meadow, where the double system, and it is the same in the manner of direction by attendants in the big tent. The unfortunately unused rough element of athletics is happily introduced. Sells & Downs United Shows, as all those with whom the audience comes in contact, are polite and obliging.

For half an hour or so before the doors to the big tent open the circus still did a thriving business, and hundreds were on the grounds early. It is a good lot of acts that this adjunct contains. Then it was to the maneuvering that the throng of historians made its way, and these are, I think, some respects unusually novel. The little camel, Lions, Lions and bears are sights not often seen even with the largest circuses, and are most interesting. Another animal in the collection is the spotted hyena. It is said to be the only one in captivity. The animals in the collection are as varied as is found with the average circus.

From the beginning of the show a huge audience to the big tent, and an impatient waiting for the performance to begin. After the band—an excellent one—has entered the audience for half an hour, the usual "train of procession" begins. It is headed by the elephants and camels, the riders of both sexes, richly costumed, the charioteers, zouaves, etc., following. WELL WORTH SEEING.

One of the most interesting exhibits among the many of all kinds at the Louisiana Purchase Exposition in St. Louis is that of the Winchester Repeating Arms Company, of New Haven, Conn., manufacturers of repeating rifles, shotguns and shotguns and all kinds of ammunition.

The exhibit was in readiness and was opened on the first day of the fair, a fact that clearly illustrates the enterprise and up-to-date methods of the company behind it. It is the aim of the Winchester Repeating Arms Company to show in their exhibit the high development which they have reached in the making of guns and ammunition and one needs only to see the exhibit to realize how near to perfection that development has come. There can be seen the new automatic repeating rifle, all kinds of shotguns, the modern smokeless powder shotgun shells and rifle cartridges; in fact everything that can interest the devotees of hunting and trap and target shooting. Don't fail to see the exhibit at the Manufacturers and Fish and Game Buildings. It's well worth your while.

A little life may be sacrificed to a sudden attack of croup, you don't have Dr. Thomas' Electric Oil on hand for the emergency.

CIRCUS DAY WEATHER.

MARTIN HUME ON ELIZABETH'S CHARACTER.

Martin Hume, whose latest book "The Love Affairs of Mary, Queen of Scots," has been so favorably received, is now engaged in revising his preceding work, "The Courtship of Queen Elizabeth." He is adding two new chapters on Elizabeth's personal integrity, a question debated by historians with much ardor. Mr. Hume holds strong views as to the moral character of Elizabeth and believes he has documents and facts to prove her weakness as a woman.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the diseases connected therewith. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy, strong, energetic, bright, eye, limb, step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a sovereign for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active, thus insure you a liberal supply of "good spirits." THE CIVIC LEAGUE—WORK
TO BE DONE.

The ladies of the Civic League desire us to again call attention to the work being done by them in advancing civic cleanliness.

A good many men say they have no time for such things. These ladies say join the Civic League, pay the 25 cents for membership and they will do the rest.

They are arranging to have the Chautauqua Baskets put at convenient places throughout the city, in which trash and litter may be temporarily deposited until it can be properly disposed of.

They are gratified at the evident progress being made in keeping the streets clean; but much more can be done.

As urged by us in our last issue, when the streets are swept they should be thoroughly sprinkled beforehand and the dirt, when collected in piles in the gutters, should be at once hauled away, not waiting until it can again dry out and be swept about by the winds.

There is no use in talking, if we wish a healthy and attractive city, we must pay attention to these things. It will not do to say, "oh! well! In old times we did not pay so much attention to these things and did well enough!" The truth is, when we had macadamized streets only, they were liberally sprinkled and the resultant mud was scraped up and hauled away.

There is more DUST NOW than ever before, because it cannot sink into the body of the brick streets, and, of course, this makes it more dangerous and causes more disease.

Wake up, and make Frankfort what she was easily he prettiest, cleanest and most attractive city in Kentucky.

TUESDAY'S FIRE.

At 5:05 on Tuesday afternoon an alarm from box 28 called the boys to the cottage of Miss Ruby Macklin, on East Broadway street (formerly the F. C. passenger station), where a blaze was making things lively on the roof.

After a short tussle the flame was extinguished with a loss of some \$50 or \$100. No insurance.

The house had just been vacated and it is supposed that some trash being burned up caused the fire.

Agony From Inherited Heart Disease.

Dr. Miles' Heart Cure Cured Me.

One person in every four has a weak heart. Unless promptly treated a weak heart will easily become a diseased heart. A little extra strain from carelessness or overwork, sudden death, malady, the most common cause of sudden death. Dr. Miles' Heart Cure will stop the heart's action, clear the blood and restore health.

"My trouble began with asthma and I have always supposed it caused the trouble I have experienced with my heart. I had the usual symptoms of asthma, coughing, expectoration, palpitation of the heart, shortness of breath and pain around the heart and under left arm. My mother suffered in the same way. She died at 50 years of age.

"At one time I was in agony. I suffered so severely it became so weak that my wife said to me, 'You must die.'

"At this time I had not slept over two hours a night on account of nervousness.

The least exercise such as walking about the room would bring on an attack and the heart so severe that I would have to give up everything and rest. Nerve and Liver Pills cured me of constipation and heart trouble. I am now in full health under the influence of Dr. Miles' Heart Cure. I am in better health than I have been in twelve years."

Dr. Miles' Heart Cure is the greatest remedy on earth and I am constantly recommending them to my friends."—Mrs. L. J. CANTRELL, of Louisville.

THE WOMEN ARE TO BLAME FOR IT ALL.

Melville E. Stone, manager of the Associated Press, in an address to the Girls' Club of the National Suffragists at St. Louis, said: "Let me tell you that the scandal papers of the country are supported by women. No large metropolitan newspaper can live unless it meets the demands of the women."

In Birmingham, the "Daily Herald" in commenting upon this says:

"Of course, the woman is always to blame for it all. She was the one who gave Adam the forbidden fruit."

She is the woman who drives her husband to drink, and evil ways, and who causes him to get gray headed because of her terrible temper. If there is anything particularly bad about a woman, we can all be traced back to women. We did not believe that the sensational newspapers were the outcome of demand for their existence by the debased female sex of the country, but the case is the case.

Epidemics of crime are probably due to the women, and we have no doubt that a careful scrutiny will reveal the fact that all the evil things of which the world complains are the outgrowth of the efforts of the women.

We are glad to know that the world is coming to recognize the villain of that terrible sex. In time to come they will get set down on the records just where they belong."

There is more truth in the satirical remarks of the Herald than most people realize. In a recent paper read before the Society for the Protection of the Homeless Dr. Jones made the claim that the chief cause of drunkenness was the bad cooking of housekeepers. He, however, did not explain why this same food did not make drunkards of the men who ate the same food.

Another writer recently made the claim that women were the cause of wars, and recently the Male Teachers' Association, of New York City, aid the name of male teachers, and the education of the high schools upon the women teachers, claiming that if they were under the instruction of male teachers they would remain in school for a longer time.

The birds of the men lay the blame to the women for the injustice done by not allowing women to express their choice of men and measures at the polls on election day. They tell us the reason they do not vote is that they do not want to cause women do not want to vote and that they are ready to give us the ballot as soon as we manifest any general desire for it. It is the same spirit that is up, all the blame to the women that has been in existence from the time of Adam and we have become so accustomed to it that we seldom stop to consider the ridiculousness of it all.

COUNTRY ESTATES.

In the Blue Grass to be Beautifully
Pictured.

That the Blue Grass region of Kentucky is attracting widespread attention is proven by the number of magazine articles that have been written about it, and the number of tourists, writers and newspaper men of distinction who deem this section worthy of personal inspection and investigation.

There have been disconnected attempts in the current periodicals of the North and East to write up the famous stock farms in Fayette, Bourbon and Woodford counties, but this has never been done in an organized and comprehensive way which would prove of real and lasting benefit to the country; so variously exploited. Such representation would do much toward developing Kentucky interests by attracting attention to the beauties and advantages of the Blue Grass region.

Mr. Thomas A. Knight, for fourteen years upon the staff of the Cleveland Leader, with which the editor of the Lexington Leader was at one time connected and in honor of which he christened his paper sixteen years ago, has been in the city for a week or two looking over the field with a view to publishing a volume picturing the beautiful country homes of Kentucky from an artistic and pictorial standpoint, and in a comprehensive way.

His reputation as the compiler and publisher of "Country Estates of Cleveland Men," "Picturesque South Brooklyn," and "Beautiful Lakewood," and as an expert in artistic photography, with wide experience in out-door work, promises well for anything of this kind which he may attempt in Kentucky. Mr. Knight was editor for several years of the Interstate Architect and Builder, and is an excellent judge of architectural styles. As traveling correspondent of the Cleveland Leader he became acquainted with many notable men, whose homes he afterward pictured in his books. He accompanied Senator M. A. Hanna in his private car on many of his campaign tours in Ohio.

Mr. Knight's plans for a book on the Blue Grass region are not yet matured, but he is much pleased with his visit here, and has gone so far as to ask the co-operation of Miss Nancy Lewis Greene, in the event such a hook is decided upon. Miss Greene's articles in Town and Country have given her reputation as an accurate portrayer of Blue Grass scenes; she is thoroughly familiar with this subject; and accompanying sketches from her pen would enhance the value of such a work as Mr. Knight has in view.

"Country Homes of Cleveland Men," a copy of which Mr. Knight has given the Leader, is a handsome volume and printed upon plate paper, with elegant half-tone illustrations. Among the famous country places pictured, are the old home of President Garfield and the present residence of Mrs. James A. Garfield; "Cottage Hill Farm," the country home of Dan R. Hanna "Bueno Vista," the residence of Frank H. Townsend, and the home of Hon. W. J. White, of Yucatan chewing gum fame, at the noted "Two Minute Farm."

It is the purpose of Mr. Knight to get out an edition de luxe for the Blue Grass region which will exceed even his other volumes in point of printing, binding and half-tone work.

Since the above article appeared Mr. Knight has decided definitely to publish the book. Miss Greene has accepted his offer to collaborate in the work, and unless unforeseen contingencies should arise, the result will be the handsomest volume of views that has heretofore been published in America—a volume in fact that will adequately portray and do justice to the incomparable Blue Grass.

NEW ENTERPRISE.

Mr. G. J. Cook has leased for five years from Mr. G. H. Mastin the old time pleasure grounds known as the "Clay Bank Picnic Grounds," at the big spring, just below the Big Eddy; has erected a dancing pavilion and other accessories, which will render this a most inviting place for picnics, dances, etc.

He has also engaged the boat charter to ply between this city and the grounds every day, leaving the foot of Washington street, commencing June 18, at 1 o'clock, p.m., and making additional trips at 2, 3, 4, 7, 8, 10 and 11 o'clock, p.m. The fare for the round trip, including admission to the park, will be 25 cents; children under 12 years old, 10 cents.

This is a most inviting trip for hot weather.

BROKEN ARM AND RIB.

Mrs. T. M. Cardwell, of Harrodsburg, who is visiting her niece, Mrs. J. Morgan Chinn, Third street, was so unfortunate as to slip and fall down the stairs, breaking her left wrist and a rib.

Drs. E. E. Hume and Jno. G. South were called and rendered surgical attention. We are glad to say that Mrs. Cardwell is doing nicely.

Kodol Dyspepsia Cure "Digests what you eat."

A CRACKER JACK.

We have received a copy of the Los Angeles (Cal.) Times, which is a cracker jack. It contains 50 pages of general matter and a magazine of 30 pages. Its write up of matters and things in that hustling section of the Pacific coast is simply fine. We thank the friend who sent it for his kindness.

ARRESTED.

U. S. Deputy Marshal Rousseau True went to New Columbus, Owen county, on Tuesday, and arrested one R. O. Simpson, son of the Postmaster at that place, charged with having forged a money order for \$88. Marshal True brought him man here and lodged him in jail.

It seems that Simpson fished a blank money order from the files, stamped it with the New Columbus stamp and took it to Cincinnati to be cashed. Suspicion was aroused and the facts came out on investigation.

Dr. Weaver's Syrup and Cerate. Successful treatment for blood and skin diseases.

STAMPING GROUND.

Mr. E. H. Black, the venerable physician, of Frankfort, is visiting relatives here, his old home.

Mr. G. B. Beatty, of Kansas City, Mo., visited relatives here this week.

Mr. B. Stone shipped 280 lambs, averaging 80 pounds, to Cincinnati on Monday.

Mrs. R. C. Head and children visited her parents, Mr. Zach Roberts and wife, in Owen county, this week.

The Sunday-school District Convention will meet with the Baptist Church in this place, on Sunday, July 3d.

The Ladies' Aid Society of the Baptist Church had an ice cream and strawberry supper in the Town Hall on Wednesday evening. It was well patronized and greatly enjoyed.

Our farmers are rejoicing over the fact that their wheat crops are bidding fair to be much better than they at first feared. The plants stood out finely and are now showing fine and heavy heads. No crop is finer than an average crop will now be realized.

The weather permitting, Rev. Mr. Hill, the new pastor of the Baptist Church, will preach at the beautiful grove of "Uncle" Jesse Hambrick, near town, on Sunday afternoon, June 18, at 2:30 o'clock. Some of our finest singers will assist at the service.

The various crops are making up for lost time by the rapidity of their growth. A good warm rain is all that is needed to make things just now.

FOR A HUNDRED YEARS.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other ingredients in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises, and piles. The high standing of this salve has given rise to many imitations, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by J. W. Gayle.

MARRIED.

HUDSON-PAYNE—At the residence of the bride's mother, Mrs. S. G. Payne, Mr. John Hudson and Miss Lydia E. Payne were married by Rev. C. J. Nugent, of the Methodist Church.

Mr. Hudson is an employee of the Kentucky Penitentiary. His bride is the handsome daughter of the late Mr. John W. Payne and wife. She is a lovely and popular girl.

The happy pair left for a short wedding trip.

BOWDOIN-MARTIN—The marriage of Miss Fannie Martin and Rev. J. T. Bowdoin, of Windsor, Va., was solemnized at the home of the bride's parents, Mr. and Mrs. Samuel Martin, near Frankfort, at 9 o'clock a.m., Wednesday, June 15th, in the presence of the family and a few intimate friends, Rev. O. L. Powers, of Providence Baptist Church, Woodlawn, officiating.

The bride is one of Kentucky's fairest and most popular daughters, and is highly esteemed by all of her friends.

The groom is a very brilliant and promising young minister of Virginia, and is now engaged in ministerial work in that State.

The bride was becomingly gowned in a blue silk traveling costume and carried a bouquet of white sweet peas and fern leaves. Immediately after the ceremony the happy couple left for an extensive trip to Washington, Niagara Falls, and other prominent points. After July 1st they will be at home to their friends in Windsor, Va. They were the recipients of many hand-some presents.

THE BIG CIRCUS PARADE.

Sells & Downs big circus paraded our streets on Tuesday morning. Contrary to the usual custom, the parade started on schedule time and was a fine affair. The horses used showed good grooming and general care; the animals were numerous and rare; and the cages and exhibition wagons all gave evidence of superior management.

The crowd at the entertainment at 2 o'clock was cut down some by a heavy downpour of rain (by the way it has been the usual circus day accompaniment for twenty years), which commenced about 12 o'clock and continued until about 1:15.

There was a big crowd of people in town and the show was well patronized. The general expression of opinion was that it was a fine class show and deserved a fine patronage.

PEA RIDGE.

Died—On Saturday last, at the Hospital, Mallory Spanning, aged about 23. This young man had been an invalid from the time he was about two years old, and death came as an angel of mercy to relieve him from his sorrow and suffering. To his sorrowing widowed mother it is indeed a grief, for her whole life has been one of self-sacrifice and devotion to this crippled and invalid boy. Mrs. Goss, mother of the invalid boy, died Saturday. The interment took place at Grafenreberg, where he was laid to rest by the side of his father.

We will not say that he is "dead," but that he is just "away."

Miss Katie Sater was the guest of Miss Edith Edge Saturday, Sunday and Monday of this week.

Prolonged law suits are, or ought to be, a sufficient punishment for a will, seeing that his infatuated heirs are protected and his wife not made homeless by some overbearing elder.

Every one was won in the praise of the circus last Wednesday. Best ever in town was the veritable SCRIBE.

PEAK'S MILL.

Cool nights and hot days.

Crops of all kind never looked better, all except tobacco. The farmers are not done setting yet.

The first of the season—Mr. Joe Florian, of near here, had a mess of beans a week ago. In fact, he has the finest and cleanest garden of anybody about here.

Mrs. Nannie Tipton, who has been sick, is improving fast.

Mr. Lew Penn's family, who had the measles, are all about well.

Miss Hattie Hampton, who has been visiting her mother, since Saturday, has returned to the Stewart Home, where she is an employee. Everybody gone to the circus.

Mrs. Massie Pierce was the guest of her brother, Mr. George Parker, and family, last Sunday.

Bro. Rash, of Winchester, will preach at our church the first Sunday of the month, instead of the second, it being changed. Everybody come.

Mrs. Lizzie Jackson and son, Robert, are visiting relatives in Louisville, this week.

The Ladies Aid Society will meet again at the church, next Wednesday, the 22d. Everybody come and lend a helping hand. We don't know when we will need aid.

Mrs. Quincy Sheets and family, of Rocky Branch, was the guest of her sister, Mrs. Jas. Smith, last Sunday.

YOU KNOW WHO.

A COSTLY MISTAKE.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pill for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c. at all druggists.

PENSION REVIVED.

Mrs. Sallie Daniel, widow of the late Capt. G. W. Daniel, has been so fortunate as to have the pension heretofore allowed her husband re-verified, and she now receives \$12 per month.

BAND PICNIC.

Don't forget the picnic to be given by the Frankfort Cornet Band, on Tuesday next, June 21st. It will be a delightful affair. And another feature will be a chance in the fifty bushels of coal offered by the Elevator Coal Co. to the holder of the lucky ticket.

Go out to the Park and help the boys.

TO DELIVER ADDRESS.

Rev. Geo. Darsie leaves Sunday night for Carrollton, Mo., to deliver an address before the State Christian Church Convention.

"DO IT TO-DAY."

The time worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice sent to you now, in the demoralizing course of denunciating cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remain for Dr. Proctor's Great Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure your cold entirely. Now, if you have seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently helpless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

REVOLUTION IMMINENT.

Some signs of approaching revolt and insurrection in the system are nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bladder, and purify the blood, and clarify the blood. Run down systems benefitted particularly and all the usual attending aches vanished under its searching and thorough effectiveness. Electric Bitters is only 25c and this is returned if it don't give perfect satisfaction. Guaranteed by all druggists.

AWFUL TRAGEDY.

Several Hundred People Drowned or Burned to Death in Hudson River.

One of the most awful tragedies of this age of tragedy occurred on the Hudson river, on Wednesday last, when the excursion steamer, Gen. Schenck, with 1,250 passengers on board (being an excursion given by a German Lutheran Sunday-school) caught fire and was destroyed.

It seems that boiling fat running on the stove in the kitchen of the boat caused an explosion which soon wrapped the vessel in flames, and, notwithstanding the efforts of the boat's fire crew, all means used to subdue them proved useless.

The frenzied passengers, crowded together in panic-stricken masses, some with their clothing in flames, either jumped into the seething waters of the whirlpool and were drowned, or were caught in a trap when the upper deck fell in, and comatose.

The scenes incident were heartrending and sickening.

The total number of killed and wounded will probably never be known. So far as ascertaining the loss amounts to about 1,000 men, women and children.

The extent of the horror makes one's heart stand still and the tenderest pity for the afflicted is felt throughout the land.

The Court of Appeals adjourns to-day until court in session, September 29th. This has been a very busy year for that honorable body. A vast amount of work has been accomplished.

REVOLUTION IMMINENT.

Some signs of approaching revolt and insurrection in the system are nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bladder, and clarify the blood, and benefit the blood vessels. WE TOOT OUR HORN.

A handsome piece of workmanship has just been turned out by the Geo. A. Lewis Publishing Co. It is the Delta of Sigma Nu, a Greek Letter Journal, edited by Mr. Clarence E. Woods, of Richmond, for the Sigma Nu Fraternity. It is as handsome a piece of work as any office in the State can send out, even if we do say it ourselves.

The Yeoman Carriage Co.

Formerly the Seller Carriage Co., so Well and Favorably Known to the People of Franklin County.

RIGHTLY MADE

Vehicles require no better recommendation than hard service. Hard service, honest workmanship and honest prices have sold more carriages for us than all the printed praise we could bestow upon them. You can easily satisfy yourself that this is so, and that you will obtain perfect satisfaction in every detail.

The reputation we have established for good work and fair dealing under the firm name of the Seller Carriage Co. [founded by our Mr. Yeoman and the late Henry Heimiller, Esq., in 1876], we shall fully maintain, in the several departments of carriage building. Our repair and repainting departments are fully equipped, and we wish to say to our friends, should they favor us with their business, that we are assured of getting the best work possible.

We have in our ware-rooms a complete stock of factory-made vehicles; also a nice line of our own make of its usual splendid quality. We are prepared to build to order any style of pleasure vehicles.

We are in receipt of the catalogue of the Kentucky Chautauqua, at Lexington. It will be held this year commencing June 28th to July 5th inclusive.

No one ever attended these gatherings in the past who was not amply repaid and this year promises to be fully up to, if not over, the usual standard.

MACHINE SHOP.

It is probable that the firm of Messrs. C. & O. Schaeffer will soon purchase the plant of Messrs. Jones Bros. and open up a big machine shop in this city. This is a thing much to be desired, as great inconvenience is experienced when machinery needs repairs.

POSTPONED.

Lambert Young Council, Y. M. I., which had arranged for a grand picnic for July 4th, at Cove Spring Park, has kindly given way to the general celebration by our citizens and have postponed their entertainment to some future day.

This is as it should be. If we are going to celebrate the glorious fourth at all, let us do it up in good style.

BAPTIST ICE CREAM SUPPER.

The ice cream and strawberry supper given by the Ladies' Aid Society, of the First Baptist Church, on Tuesday night, in the new chapel, was a very nice affair.

The ice, berries and cakes were superb and the crowd, which, at no one time was large, kept coming until the close at 10:30 o'clock, and enjoyed themselves very much. Quite a neat little sum was added to the treasury of these good women.

GOOD WORK.

Done Daily in Frankfort. Many Citizens Tell of It.

Not a greater reader has heard of Doan's Kidney Pills. Their good work in Frankfort still continues and our citizens are constantly adding endorsement by public testimony.

No better proof of merit can be had than the experience of friends and neighbors. Read this case: W. T. Frazier, proprietor of Frazer's Candy Kitchen, 45 Mt. St. a large family man, used Doan's Kidney Pills, was completely proven in my case. I suffered from backache a great deal, often so severely that I could not turn in bed. In the morning when I got up, it was a common thing to feel like a dead weight in the back. Pain on my feet so much of the time in my store no doubt tended to aggravate the trouble. Anxious to find some relief and permanent cure I purchased when informed of Doan's Kidney Pills, and when them so highly recommended by people living nearby, I went to J. W. Gayle's drug store and got a box. It was a glad surprise to me to find that they were removing the day or two they were removing the pain. I continued the treatment, and by the time I had finished the box, the trouble was entirely removed. Up to date, I have felt no recurrence, and I am grateful to me to endorse this preparation."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
